CROATIA / KROATIEN

Books Writers Illustrators

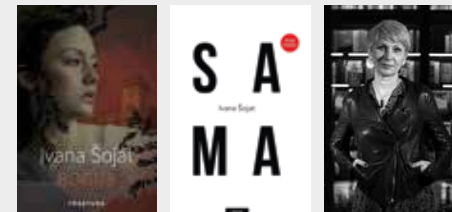

Croatian national exhibition presents a selection of Croatian novelists, poets, essayists, non-fiction writers and illustrators.

Organised by the Croatian Association of Publishers and Booksellers, we will be introducing the audience to the Croatian publishers' most important publications from recent years. Twenty-four publishers with over 160 titles will be taking part at the Fair. Besides, we will present a selection of ten fiction and four non-fiction titles chosen by the Commission for Books and Publishing of the Ministry of Culture and Media, based on the proposals made by the Croatian Writers' Association and Croatian Writers Society.
